Please call the Religious Education office at 923-0151 if you are unable to attend a particular class due to illness or family emergency.

Students are reminded that there is a limit of **four** absences per school year, regardless of the reason for the absence. Students exceeding the limit will have to repeat the year. It is not possible to make up missed classes. **The service project is mandatory and must be completed with class.** If there is an urgent reason why you cannot attend, you must get approval from me in order to attend a make-up.
