Final Parish Pastoral Council Meeting 2004/2005

The Council met following the elections for new Pastoral Council members. We welcome Chris McInerney and Jackie Bean, and returning Judee Thomas. We thank them for their willingness to serve the parish in this way.

Generations of Faith was a resounding success over the past year, engaging people of all ages in the faith community in the journey through the Church's liturgical year. The program will continue in the Fall.

Fr. Crowley suggested the possibility of adding a Sunday evening Mass beginning in the Fall. This is in response to declining attendance at Sunday Masses among families with school age children involved in sports programs and other activities. Request for comments will be placed in the parish bulletin during the summer months.

It was noted that many Pastoral Council members are involved in ministries and activities that often conflict with the regular PPC meeting day and time. In an effort to accommodate members' schedules, the Council will meet at 7:00 p.m. in the parish offices on the first Sunday of the month, beginning in September.

Next Meeting: 7:00 p. m. September 11, 2005 in the Conference Room
